

Job Description

Advance Application Engineering {Intern}

At Accenture, we help companies become the next and best version of themselves.

You'll be using advanced technologies, data, AI, together with your ingenuity and diverse expertise, all in the service of operating with greater speed, efficiency and intelligence as well as creating 360-degree value.

You'll be driving value not only for shareholders, but for all stakeholders - clients, partners, people and communities.

Join our global network of over 100 innovation hubs around the world and at a place that has made 20 consecutive appearances on Fortune's list of "World's Most Admired Companies" as of 2022.

As an **Advance Engineering Intern**, you would:

- Become a part of the project team to deliver on client business opportunity
- Design custom technology solutions relevant for client's context in Niche and emerging skills
- Do application development in hyper agile environment
- Support in building proprietary assets, prototypes, innovative applications, Bots, creating New IPs, Deep Learning models, new NLP solutions, etc.

What are we looking for?

We would love you to have:

- Proficiency in Java, .Net, C#, C, Python, SQL, ReactJS, Angular across frontend / backend databases.
- Exposure to cloud hyper-scalers like Microsoft, AWS, and Google.
- Hands on experience in writing code frontend/backend/database server and exposure to test automation frameworks
- Good analytical and problem-solving skills and proficient in verbal communication skills
- Ability to ramp up on existing solution/project and quickly contribute towards bug fixes
- Multi-disciplinary and versatile with aptitude to learn and apply new skills faster
- Potential to manage client interactions with proficiency

Accenture has not authorized any agency, company or individual to either collect money or arrive on any monetary arrangement in exchange for a job at Accenture. Accenture's criterion for hiring candidates is merit. Any agency, company or individual offering employment with Accenture in exchange for money is misrepresenting their relationship with Accenture, which has not authorized any such action. If you are approached by any entity or individuals who demand money or any other form of compensation in return for a job offer at Accenture - even if they present themselves as representatives or employees of Accenture - please send the details to **Accenture Business Ethics Line** <https://businessethicsline.com/accenture>
